How long has it been since you’ve stretched out on the grass to look at the clouds, imagining you see the shapes of bears, and old men with big noses, and castles for kings? How long has it been since you’ve walked barefoot down the beach and felt the sand and water squish between your toes? Let yourself become childlike again, just for today.

Gwen Ellis

When it’s hard to look back, and you’re scared to look ahead, you can look beside you and your best friend will be there.
